

Comin' in HOT!

In the long-distance riding community, it is called “comin’ in hot”. Would you like your ride to the Western TOH Stampede to be as epic as the event itself? Well then, this ride is for you! The “Comin’ in HOT” ride concept is brought to you by the 2024 Washington state sponsor, Daniel Dyer.

“Comin’ in HOT!” – a multi-state TOH SS1K

Ride instructions and rules:

- Ride over 1000 documented miles in route to the Western TOH Stampede while visiting any four 2024 Tour of Honor memorial sites within a 24-hour period.
- **Extra challenge:** score the four TOH sites from 4 different states, including Nevada!

All riders are responsible for their own documentation, in a form acceptable to the Iron Butt Association to certify their ride. More info here: [Iron Butt SaddleSore Rules](#)

Follow all Tour of Honor rules for TOH SS1K rides found here: [TOH SSK1000](#)

Note: Special Recognition for riders completing the Comin’ in HOT ride at the BBQ banquet feast Saturday evening, July 20, 2024.
