1596 South US Highway 93

Ely , NV 89301

From their web site:

“The Ely KOA proves there's more to Nevada than casinos and neon. It's where the high desert meets the mountains of Great Basin National Park, with meadows, forests, wildflowers, streams and lakes - and the fascinating marble/limestone formations of Lehman Caves”.

Known to be particularly motorcycle-friendly, Ely KOA tent-camping rates were less than \$40 in 2023. Lots of trees and grassy areas. Request a site with a fire pit or grill. Maximum of two tents per site.

WARNING! THIS IS A *VERY* POPULAR KOA SITE IN SUMMER!
